

Welcome to our websites!

Our local section of the NaturFreunde organisation consists of about 300 members from the village of Pommelsbrunn and neighbouring villages. The section owns a comfortable guesthouse which is perfectly suitable for meetings, festivals and of course for your vacation. Beautifully situated on a hill above Pommelsbrunn in the midst of nature, the house offers its guests a breathtaking scenic view of the village and the surrounding hills of the Franconian Switzerland region, which rise up to 600m above sea level.

On Saturday afternoons and Sundays the house is open to the public, with members managing and catering for our guests.

The house has one triple, three double and one single bedroom for overnight stays. All rooms are equipped with basic furniture and have a wash-basin with warm and cold water. In addition, we offer two dormitories for 7 and 11 people. There are also two bathrooms and a kitchen for self-caterers. A non-polluting gas heating and solar panels for warm water help to keep our nature protected. Two lounges for 30 and 50 persons and a lounge for 30 teens are available. Outside, a playground, campfire place, barbecue grill and a large terrace invite you to make your stay worthwhile.
